Design Requirements

Students must:

1. Create a suitable background.
2. Use at least **3 different shapes**.
3. Use shapes as decorative elements and/or text backgrounds.
4. **Place a relevant picture inside one of the shapes** and adjust it properly so the picture fits within the shape.
5. Add the given text using the **Text Tool**.
6. Use different font sizes for heading, subtitle, and details.
7. Create a **REGISTER NOW** button using a rounded rectangle.
8. Properly align and arrange all elements.
9. Keep the design clean and professional.
10. Rename the layers properly.

Required Submission

Submit:

- **Final post screenshot**
- **Layers Panel screenshot**

Result:
